312	Hand, Wrist & Finger Safety in Construction Environments	Construction Safety	30	Hand, Wrist & Finger Safety	<p>MARCOM's interactive course on Hand, Wrist & Finger Safety in Construction Environments reviews the hand, wrist and finger hazards that employees may encounter on a job site, and show them the equipment and safe work practices they can use to prevent injuries. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	OSHA 29 CFR 1910.138

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
221	Hazard Communication in Construction Environments	Construction Safety	45	Hazard Communication	<p>MARCOM's interactive course on Hazard Communication in Construction Environments both introduces employees to the Hazard Communication regulations and provides training on the various groups of chemicals found in the construction environment. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	OSHA 29 CFR 1910.1200

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
331	Heat Stress in Construction Environments	Construction Safety	30	Heat Stress	<p>MARCOM's interactive course on Heat Stress in Construction Environments discusses the hazards of getting overheated, how employees can stay cool on a hot job site and what they should do if a coworker suffers from heat stress. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	1926.28-Personal Protective Equipment; 1926.20 - General safety and health provisions
222	Introduction to GHS for Construction Workers	Construction Safety	45	GHS	<p>MARCOM's interactive course on the Introduction to GHS for Construction Workers reviews what the Globally Harmonized System is all about, why OSHA adopted the GHS, and the phase-in dates for implementing the GHS. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	1926.59 - Hazard Communication

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
336	Ladder Safety in Construction Environments	Construction Safety	30	Ladder Safety	<p>MARCOM's interactive course on Ladder Safety in Construction Environments discusses different types of ladders, the hazards that can be associated with them, and how employees can work with them safely. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	OSHA 29 CFR 1926.1053
273	Lead Exposure in Construction Environments	Construction Safety	45	OSHA Lead Standards	<p>MARCOM's interactive course on Lead Exposure in Construction Environments provides employees with the information they need to understand lead hazards and the safety regulations that address them. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	1910 Subpart Z - Toxic and Hazardous Substances., 1910.1025 - Lead

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
258	Personal Protective Equipment in Construction Environments	Construction Safety	45	Personal Protective Equipm	<p>MARCOM's interactive course on Personal Protective Equipment in Construction Environments helps employers in the construction industry meet OSHA requirements. They provide employees with the information that they need to avoid injury on the job site by using appropriate PPE. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	OSHA 29 CFR 1910.132--136

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
125	Rigging Safety in Construction Environments	Construction Safety	30	Rigging Safety	MARCOM's interactive course on Rigging Safety in Construction Environments is designed to remind employees that over 90% of crane-related accidents are caused by human error... and that they are the key to preventing these incidents. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.	OSHA 29 CFR 1926.753
238	Safe Lifting in Construction Environments	Construction Safety	30	Safe Lifting	MARCOM's interactive course on Safe Lifting in Construction Environments provides the information employees need to protect their backs when they are lifting and carrying. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.	Section 5(a)(1)- General Duty Clause; 1926 Subpart H - Materials Handling, Storage, Use, and Disposal

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
324	Safety Orientation in Construction Environments	Construction Safety	30	Safety Orientation	<p>MARCOM's interactive course on Safety Orientation in Construction Environments discusses common hazards that can be encountered on a job site and the safe practices and equipment that workers can use to avoid injuries. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	<p>1910 Subpart B- Adoption and Extension of Established Federal Standards; 1926 Subpart C-General Safety and Health Provisions; 1926 Subpart D-Occupational Health and Environmental Controls; 1926 Subpart E-Personal Protective and Life Saving Equipment; 1926 Subpart F-Fire Protection and Prevention; 1926 Subpart G- Signs, Signals and Barricades; 1926 Subpart I- Tools-Hand and Power; 1926 Subpart J- Welding and Cutting; 1926 Subpart K - Electrical; 1926 Subpart L - Scaffolds; 1926 Subpart M-Fall Protection;</p>

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
333	Slips, Trips and Falls in Construction Environments	Construction Safety	30	Slips, Trips and Falls	<p>MARCOM's interactive course on Slips, Trips and Falls in Construction Environments discusses the mechanics of slips, trips and falls, the types of hazards that workers are likely to encounter on a job site that lead to them, and the safe practices and equipment that they can use to stay safely on their feet. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	OSHA 29 CFR 1910.23-27

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
277	Struck-By Hazards in Construction Environments	Construction Safety	45	Struck-By Hazards	<p>MARCOM's interactive course on Struck-By Hazards in Construction Environments provides the information employees need to recognize the struck-by hazards that are associated with construction tasks and take steps to avoid them before accidents happen. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	<p>1926.451(h) Falling object protection; 1926 Subpart H – Materials Handling, Storage, Use, and Disposal; 1926 Subpart I – Tools – Hand and Power; 1926 Subpart E – Personal Protective and Life Saving Equipment; 1926 Subpart T - Demolition</p>

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
075	Suspended Scaffolding Safety in Construction Environments	Construction Safety	45	Suspended Scaffolding Safety	<p>MARCOM's interactive course on Suspended Scaffolding Safety in Construction Environments helps facilities comply with OSHA's Scaffolding regulation (29 CFR 1926.451). Whenever a worker leaves the ground, the risk of an accident occurring increases dramatically. With more than 10,000 scaffold related injuries reported each year, OSHA has mandated that workers be trained on how to safely erect and use these work platforms. The course helps employees understand the dangers of working with scaffolds, and how these risks can be minimized by knowing the correct ways to erect, maintain and use scaffolding equipment. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained</p>	OSHA 29 CFR 1926.451

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
269	Trenching and Shoring Safety in Construction Environments	Construction Safety	45	Trenching and Shoring	MARCOM's interactive course on Trenching and Shoring Safety in Construction Environments helps employees understand the hazards that can be encountered in trenching work as well as the OSHA regulations and safe work practices that can prevent accidents from occurring. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.	1926 Subpart P - Excavations

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
247	Walking and Working Surfaces in Construction Environments	Construction Safety	30	Walking and Working Surfa	MARCOM's interactive course on Walking and Working Surfaces in Construction Environments training identifies the hazards of different surfaces and provides the practical information and specific procedures employees need to help prevent slips, trips and falls on the job. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.	1910 Subpart D – Walking-Working Surfaces

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
256	Accident Investigation	General Safety	30	Accident Investigation	<p>MARCOM's interactive course on Accident Investigation provides employees with the information that they need to understand the goals of an accident investigation, the process itself, and how they can participate in the process to help make their workplace safer. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	OSHA 29 CFR 1960.29

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
270	Active Shooter: Surviving an Attack	General Safety	30	Active Shooter	MARCOM's interactive course on Active Shooter: Surviving an Attack provides step-by-step explanations of the survival techniques that law enforcement agencies recommend to help people get through an active shooter incident safely. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.	Section 5(a)(1)- General Duty Clause
253	Arc Flash	General Safety	30	Arc Flash	MARCOM's interactive course on Arc Flash focuses on what arc flash is, its hazards and how employees can avoid it on the job. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.	1910.335 - Safeguards for personnel protection; 1910.5-Applicability of standards; 1910.132-General requirements; 1910.145-Specifications for accident prevention signs and tags; 1910.303-General Electrical; 1910.333-Selection and use of work practices; 1910.335-Safeguards for personnel protection; 1910.137 - Electrical Protective Equipment.

ID	Title	Product Line	Length	Topic	Short Description	Associated OSHA/DOT Regulations
303	Back Safety in Industrial Environments	General Safety	30	Back Safety	<p>MARCOM's interactive course on Back Safety in Industrial Environments discusses situations that can lead to back injuries and what employees can do to avoid them... both at work and at home. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	Section 5(a)(1)- General Duty Clause
304	Back Safety in Office Environments	General Safety	30	Back Safety	<p>MARCOM's interactive course on Back Safety in Office Environments discusses situations that can lead to back injuries and what employees can do to avoid them... both at work and at home. Using a powerful combination of audio, full-motion video, text and colorful graphics, this course provides the most cost-effective safety and regulatory compliance training available today. The course is divided into a number of logical sections so information is easily understood... and retained.</p>	Section 5(a)(1)- General Duty Clause
